Location: Lac Courte Oreilles Community Health Center

Salary Range: \$11.00 – \$13.50 per hour

Hours: Monday – Friday 8:00am – 4:30pm

Posting Date: January 29, 2015

Closing Date: February 11, 2015

Description of Position:

This position is responsible for carrying out a variety of health information functions. The employee performs duties related to the receipt, scanning, filing, release of information and destruction of health and administrative information. Timeliness, accuracy, and organizational skills are essential to ensure that information becomes available for patient care. Communication skills are required to properly coordinate record transfers, record follow-up, and record scanning functions with clinical team members. This position has a great deal of responsibility as they hold the keys to information used to deliver health care to patients. Having the ability to work in a fast-paced environment, handle a large workload, and customer service skills are needed to be effective in this position.

Qualifications:

- Two (2) years professional degree preferred in Health Information
- Experience in Health Information preferred
- Possess strong computer skills
- Possess strong communication skills
- Must have strong independent skills
- Must be detail orientated
- Ability to work with other health care professionals
- Mantoux TB test current
- Completed Hepatitis B series
- Must be able to pass a background check
- Regular attendance is required for this position
- Ability to maintain confidentiality and observe all requirements of the Federal Privacy Act and HIPAA regulations
- Valid WI Driver's License

- Must be able to pass pre-employment drug screening and subject to random drug screening after hired.

Major Duties and Responsibilities:

1. Protects the security and confidentiality of all patient information according to clinic policies and HIPAA guidelines.
2. Answers phone calls for the HIM department and provides appropriate information to the caller.
3. Retrieves patient medical records for physicians, technicians, or any other medical personnel.
4. Spends 50% of day (4hrs) scanning documents into the E.H.R. with 100% accuracy.
5. Spends 40% of day (3hrs) releasing information to third parties after legitimacy of the request is established. Maintains ROI logs and follows up on collection of fees for ROI.
6. Spends 10% of day (1hr) maintaining filing area, collecting department mail, sorting loose health record documents according to provider, and delivering documents to providers for signatures.
7. Responsible for reporting Adverse Incidents
8. Accepts additional duties as assigned by Health Information Manager.

Supervision and Guidance:

The Health Information Scanning/Release of Information Clerk will work under the direct supervision of the Health Information Management Director with oversight by the Medical Director.
